BAU BEACH RULES

- Access to the beach is reserved exclusively for guests of **Camping Surabaja / La Playa**.

- Dogs must be kept on a leash (maximum 1.5 m) at all times, and all necessary measures must be taken to ensure the safety and peace of other guests.

- Swimming in the sea is allowed from 07:00 PM to 09:00 AM only in the water in front of the **free private beach** at the southern end of the concession, behind the Moomba Bar.

- The dog owner, who is responsible for supervision, must keep the dog on a leash when going to/from the water.

- While in the water, the owner must always be present, and dogs must not run freely. Dog owners are required to clean the water and sand if their pets leave waste.

- All dogs entering the beach must carry a health certificate (vaccination record or similar document) showing they have been treated against ectoparasites within at least the last 20 days and at most 12 months.

- Dogs that are subject to public safety restrictions, are aggressive by temperament or character, or disturb the peace of the beach are not allowed. Female dogs in heat are not permitted.

- It is mandatory to collect solid dog waste in the provided bags, which must be placed in the waste containers on site, while liquid waste must be rinsed immediately with plenty of seawater. The management may provide bags if guests are not equipped.

- Liability insurance for damage to third parties is recommended.

- To make your four-legged friend's stay even more enjoyable, please ask management about a **special beach bed**.

Enjoy your Bau Beach holiday!!!
